EI’s objectives:

> Promote quality public Education For All to fight poverty and exploitation

> Improve the working conditions of education professionals around the world

> Build teacher solidarity across the globe

> Halt the spread of the HIV/AIDS pandemic

> Fight all forms of discrimination

> Fight for global social justice and against violations of human rights

> Stand together to make teachers’ voices heard

EI: Education International is the world’s largest teacher trade union with 29 million teachers and education personnel
